

BURLINGTON SPECIAL EVENTS

2017

Manual & Permit Guide

Adopted July 2014

Thank you for taking the time to consider hosting an event in the Burlington area. As a reference, the City has compiled this document for you and/or your organization to follow as a guideline as preparations begin for the event. Once you have completed the application you will need to schedule a meeting with Lisa Wolff, Superintendent of Recreation Programming with the City of Burlington's Recreation & Parks Department. Please contact her at 336-222-5030. While this guide has been designed to answer most of your questions and contains references to most of the information required for approval of your event, the City reserves the right to request additional information or clarification, both before and after approval.

All requests will be reviewed by City Staff with potential recommendations that the event or activity may be modified, changed or approved from staff's recommendations. Once the application has been reviewed by the City's SET (Special Events Team) the requestor will then be notified of the next steps.

Application Fee: \$25.00 Make checks payable to 'City of Burlington.' Credit payments can be made at time of application submission.

Permit Guide Overview

How it works

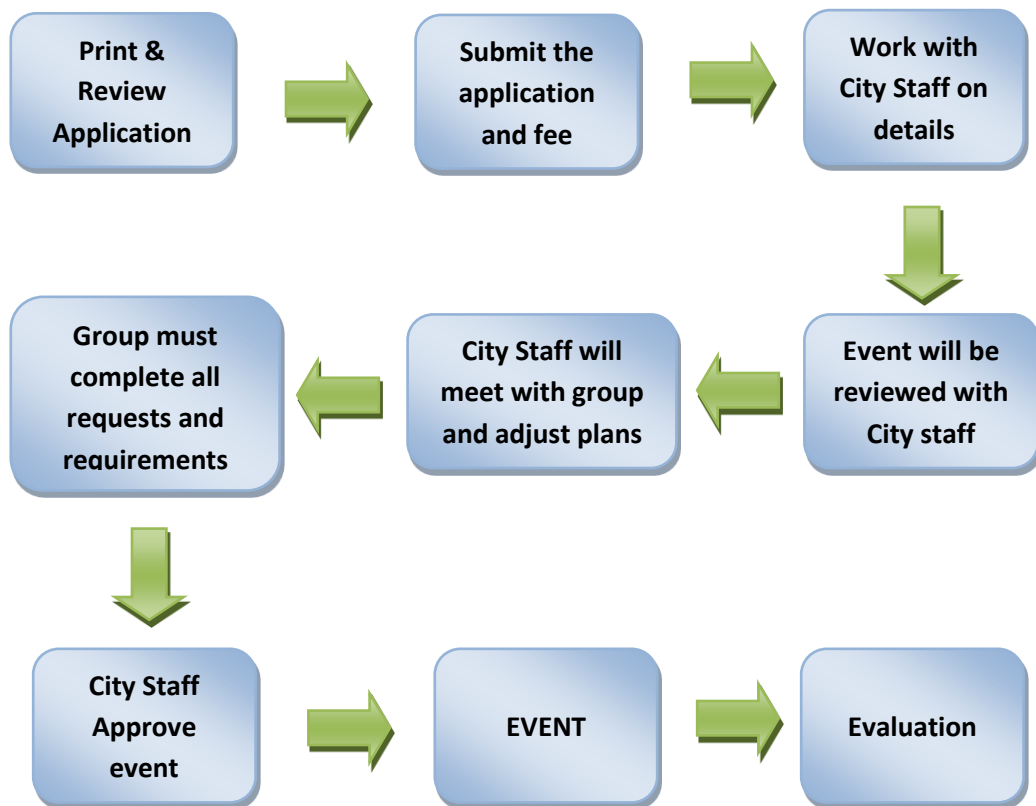

Depending on the type of event you or your organization are hosting, the process may vary. As we begin reviewing and processing your materials, we will be in contact with you to provide updates, recommendations, and/or requests for additional information. This process is a collaboration among many other City Departments as well as your organization.

Date requests

Event date and facility location requests will be handled on a first come, first served basis. The requested date will be held only after the Special Event Application has been submitted with the Application fee.

How long will it take?

Depending on the request, the process can take anywhere from two weeks to a few months to complete. This is critical in order for your group to meet the corresponding application deadline for your event.

Assistance: Not all of the steps above apply to every event. Some events are much more complex than others. The City staff will manage and review each event application individually and strive to ensure that every last detail is addressed.
